

# Kartoons - design furniture from recycled cardboard

<b>Kartoons - design furniture from recycled cardboard</b>	
<b>Description</b>	We are looking for quality recycled cardboard.
<b>Product</b>	<p>We produce design furniture, luminaires and accessories from quality recycled cardboard. We believe in ecology and re-use materials because we are eco-friendly and we don't want to unnecessarily draw next row materials. Cardboard that we use is layered until we achieve excellent strength for new product.</p> <p>Cardboard is amazing material that deserves itself more than just using as a classic box. Our Kartoons furniture will become the centre of attention in your home or office. Whether you choose a wine rack, a table, a shelf or a seat you will immediately catch the attention of the guests and you have a great theme for start of the conversation. Moreover you will show to everyone in your neighbourhood that you are considerate to the nature arranging your rooms.</p>
