

Weather stabilization - controlling the weather conditions on arable lands (cooling the area)

Name of eco-innovation demand	Weather stabilization - controlling the weather conditions on arable lands (cooling the area)
Company / organisation	Eisberg Hungary Kft.
Type of organisation	Company in food industry
Country	Hungary
Website	https://www.eisberg.hu/hu/
Description of required eco-innovation / solution / technology / resource / knowledge / product / service	Eisberg Hungary Kft. is looking for eco-technology and business solutions for weather stabilization; controlling the weather conditions on arable lands, optimizing temperature, light etc. (cooling the area).
Background	<p>Eisberg has a strong commitment to use local vegetables in its production. Unfortunately, extreme hot or cold temperature endangers the production of salad, causing problems in the supply of raw materials for Eisberg.</p> <p>One possible solution to this problem is to control the weather conditions on arable lands, optimizing the temperature, light etc.</p> <p><i>Please search online for more details</i></p>
Description of challenge to be solved	We are looking for an eco-innovative technology for optimizing the weather conditions on arable lands.

<p>Preferred stage of development of solution</p>	<p>Preferred stage of development of the solution / technology: Technology readiness level (TRL): TRL 4 or above. <i>TRL 4. technology validated in lab;</i> <i>TRL 5. technology validated in relevant environment (industrially relevant environment in the case of key enabling technologies);</i> <i>TRL 6. technology demonstrated in relevant environment (industrially relevant environment in the case of key enabling technologies);</i> <i>TRL 7. system prototype demonstration in operational environment;</i> <i>TRL 8. system complete and qualified;</i> <i>TRL 9. actual system proven in operational environment (competitive manufacturing in the case of key enabling technologies)</i></p>
<p>Preferred form(s) of cooperation, collaboration</p>	<p>Open to negotiation Partnership</p>
<p>Language(s) of communication</p>	<p>English, Hungarian</p>
<p>Contact at the company / organisation</p>	<p>For more information, technical requests please contact the organisation: Laura Spielmann Eisberg Hungary Kft. Email: laura.spielmann <at> eisberg.com https://www.eisberg.hu/hu/</p>
