

# General Terms of Participation

With your registration, you accept the following conditions:

## 1. Registration

In any case, you must register for an event in writing by means of our registration form. Registrations will be considered on a regular basis in the order of their arrival; specific selection procedures for certain events remain unaffected by this. Your registration will be confirmed after the closing date at the latest. The contract becomes valid upon receipt of the confirmation.

## 2. Payment, travel and Accomodation Conditions:

There is no participation fee.

Accommodation and travel expenses will be covered for maximum 22 participants.

Accommodation will be offered in student dormitories in the city centre with maximum of 2 persons per room.

Travel expenses will be covered up to 100€ per participant based on application for reimbursement including travel tickets and other documents proving the expense.

Organization institution will cover all costs related to organisation of summer school.

Participants are obliged to organize their travel on their own.

Participants should only organize their trip after approval of application by transnational jury.

## 3. Withdrawal and Termination

As for events, the contractual partner may withdraw from the contract if he/she informs us about the withdrawal in writing, subject to a term of at least seven workdays before the event is due to begin. Providing a substitute participant is possible at all times. The decisive date is the date of receipt of the withdrawal notification. Withdrawal notifications must be sent by e-mail to [alena.kojdiakova@cvtisr.sk](mailto:alena.kojdiakova@cvtisr.sk) or [nina.bratkova@cvtisr.sk](mailto:nina.bratkova@cvtisr.sk).

## 4. Cancellations / Modifications to Events

Slovak Centre of Scientific and Technical Information reserves the right to cancel events up to one day before the event is due to begin, especially in case of an insufficient number of registrations. Further claims for damages are excluded. This also applies to short-notice cancellations or an event cancellation, even if it is no longer possible to inform the participants beforehand. As far as the event is not substantially impaired, a replacement of speakers and modifications to the agenda do not entitle the participants to withdraw from the contract. If the event is cancelled due to force majeure (fire, strike, terrorism etc.) or other circumstances, for which Slovak Centre of Scientific and Technical Information is not accountable, but which make the services of Slovak Centre of Scientific and Technical Information significantly more difficult or impossible, the participant is entitled neither to the reimbursement of the travelling expenses nor the hotel costs. In case of force majeure, Slovak Centre of Scientific and Technical Information will be exempt from the services for the duration of the obstruction.

## 5. Recordings

Photographic and film documents (recordings) will be produced during the event. We should like to point out that, with the registration for and confirmation of the event, you agree to the publication of photos and film recordings in which you are shown within the scope of the event. If you do not agree, please let us know:

## 6. Final Clause

If individual provisions of these terms are or become invalid, the validity of the remaining terms shall not be affected. This agreement is subject to Slovak law. Place of jurisdiction of all legal disputes arising from this contractual relationship is Bratislava.
